Dear Juan,

I would be grateful if you could note the below in respect of timings for acquiring the drainage survey. This also applies in respect of the other temporary building application. We would therefore be grateful if you could similarly agree an extension of time until 3rd May.

Thanks and kind regards
Charlie

Afternoon David,

I have spoken to R-RMC – a contractor is in the process of being appointed to undertake the work, however there will be a lead-in time (circa. 4 weeks) to undertake the survey due to availability. There is no date yet as to when this will be done but we should know more in the next couple of weeks. Rest assured R-RMC are looking to procure and progress this as soon as possible.

Can I suggest a further extension of time for 4 weeks until 3rd May? We will, of course, provide an update as soon as a date is booked in but seeking a slightly longer extension prevents seeking shorter interim EoTs.

Grateful if you could confirm your agreement to this.

Thanks and kind regards
Charlie

David,

Thanks for your email. I just need to check the latest re procuring the survey. We will need a further extension, but I want to be clearer on timings before suggesting a further extension.

I should be able to update further tomorrow.

I trust that this is OK – please do shout if any queries.

Kind regards
Charlie
