Hi Simon,

Appendix D of the Transport Note submitted with the application and attached to this email for ease of reference shows the dimensions of the refuse vehicle used for the tracking. Presumably it is now up to the Council's waste team to confirm they are happy with the refuse vehicle dimensions used. Other than that, I'm not sure there were any other points to address but please let me know if I have missed anything.

Have you taken a view on the parking provision?

Kind Regards,
