Dear Ben,

I had not anticipated taking the Reserved Matters to our April Committee as the deadline for reports is Wednesday and we have not yet reached agreement on the scheme. However, for your information, please note that we have today been advised that the April Committee is likely not to take place (indeed all Council Meetings are likely to be cancelled until May) and that therefore your application will more than likely be heard at our next available Committee being May 27th 2020.

Kind Regards
