Dear Mr Dempster,

Town & Country Planning Act 1990 (as amended) s211 Notice

Prior Notification of Work to Tree(s) in a Conservation Area

Development: Ornamental cherry tree.
To remove tree completely.
Excessive shading to house. Roots breaking up pathway and shared driveway. I understand that originally this was a dwarf cherry tree planted by a previous owner and this has been let go and is now out of hand. The branches are touching the front windows of the house and blocking out all light from the bedroom and kitchen. Also concerned that the roots will undermine the house foundations.
