Dear Richard,

I agree to the extension of time to 13/11/2019. However, if there's a possibility of receiving a decision earlier that would be much appreciated.

Kind regards,

Andrew.

Afternoon Richard,

I note that Sarah has now sent through her comments accepting the additional levels data.

As such, can you let me know when we expect to receive a decision on this application?

Many thanks,

Andrew.

Hi Andrew,

1: As I understand it the applicant will be soldering in the industrial building not welding. Please can you confirm. – Yes, we only solder in there, and to be honest it's very rare we even do that.

2: If soldering is to be carried out please can you confirm the number of soldering stations that there would be. – There is only 1 station for soldering, we only have 1 soldering gun. It's used probably 4-8 hours per week only.

Thanks

Jamie
