Dear Sir/Madam

On behalf of Mr DW Langmead:

Application to discharge Condition 6 of Planning Permission BE20/27/PL in respect of the erection of a temporary soil store on land west of Saltbox, Bognor Regis

Please find enclosed an application to discharge Condition 6 of the above permission, which requires submission and approval of a Soil Resources Plan in respect of the site.

The application comprises:

1. Application forms;
2. Site location plan;
3. Soil Resources Plan prepared by Earthcare Technical (ETL529/2020); and
4. Statutory fee (Paid online).

The enclosed Soil Resources Plan considers the proposed soil store in the context of a detailed assessment of the composition of soils at the construction site and storage site. It demonstrates how the topsoil resource will be preserved and stored appropriately within the approved stockpile.

I trust that the enclosed will allow for the prompt discharge of this condition. Should you require anything further, please do not hesitate to contact me.

Yours faithfully

Arfon Hughes
