Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/143/21/HH
Site Address: 19 South Way Bersted PO21 5HB
Description of works: Removal of existing three lean-to structures and erection of single storey side and rear extension.

Thank you for your internet representation made on 18th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40506

Well it seems that although all of the applications for building basically a multi residence dwelling in Southway were refused before - an application has been re submitted.

There is NO application notice displayed.

If this is approved- although it was refused before- it will cause an over populated area with no provision for extra car parking.

Many many people residing in Southway object to this building application. It is clear that this is going to be a rental business .

This will spoil the nature of Southway a peaceful residential road. This road is at the entrance of the school & will become even more busy with the possibility of an extra 10 or so cars & families from what was a single dwelling.

Your views as made above will be considered before the application is determined.

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely
