Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/143/21/HH
Site Address: 19 South Way Bersted PO21 5HB
Description of works: Removal of existing three lean-to structures and erection of single storey side and rear extension.

Thank you for your internet representation made on 9th October 2021 which has been recorded as an objection with the comments as follows:

OWPC41096

I strongly object to this application as it will add to the parking issues that already exist. I am unsure how many people are currently living at the property but they already have 2 cars, a motorcycle, a large van and now a large trailer outside as well. It is extremely difficult to reverse on or off of my drive safely due to the obstructions listed above. I dread to think how much worse this will become when this becomes a multiple occupancy house.

Please think of the safety of school children who cross this road daily, as well as existing residents, when making this decision.

Building work has clearly already begun, along with substantial changes in the back garden. Trees have been removed and a shed/outbuilding erected. I hope these changes don't contradict any agreements that have been made.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the

decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
