Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/143/21/HH
Site Address: 19 South Way Bersted PO21 5HB
Description of works: Removal of existing three lean-to structures and erection of single storey side and rear extension.

Thank you for your internet representation made on 30th November 2021 which has been recorded as an objection with the comments as follows:

OWPC42244

My objections remain as per the multiple other planning submissions:
Inadequate access, highway safety and parking; severe lack of parking for the increased amount of vehicles at the property.
Noise and disturbance from proposed development.
Overbearing nature of proposal, risk of setting a precedent to others and not in keeping with the residential area.
Overlooking or loss of privacy for neighbouring property which is a bungalow and will be hugely overshadowed by the proposed renovations.
Increased traffic generation on an already busy road, which is both a bus route and a school pick up hot spot, which already causes multiple issues.
I am also concerned that the proposal is looking to build over the top of drainage pipes that are connected to other houses in South Way, which could cause issues to other residents unintentionally.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for

it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website <https://www.arun.gov.uk/privacy-policy/>

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
