

Recommendation Report for Consent to Display an Advertisement(s)

REF NO: BE/147/21/A

LOCATION: 230 Chichester Road
Bersted
PO21 5BA

PROPOSAL: Installation of 1 x internally illuminated mounted tv screen.

SITE AND SURROUNDINGS

DESCRIPTION OF APPLICATION As above.

SITE CHARACTERISTICS The site is occupied by a detached two storey property which forms a retail unit to the ground floor and accommodation above.

CHARACTER OF LOCALITY The area is mixed in use with residential and commercial uses within the immediate vicinity of the site.

None.

REPRESENTATIONS

Bersted Parish Council: No objection.

No representations received from nearby occupiers.

COMMENTS ON REPRESENTATIONS RECEIVED:

Noted.

CONSULTATIONS**CONSULTATION RESPONSES RECEIVED:**

WSCC Highways: The TV screen will be sited in the window display of the existing retail unit. The TV screen will be illuminated to a maximum of 270cd/sqm which does not exceed the maximum luminance levels of 300cd/sqm recommended by the Institute of Lighting Engineers. Given that the screen will be visible from the carriageway and could be seen by drivers in moving traffic, the LHA would advise conditions are applied ensuring that the TV screen does not contain moving images and limiting the rate of change of images to once every 5 seconds. The LHA does not consider this proposal would have an unacceptable impact on highway safety.

COMMENTS ON CONSULTATION RESPONSES:

Noted.

POLICY CONTEXT

Built up area boundary
Pagham Harbour Zone B

DEVELOPMENT PLAN AND/OR LEGISLATIVE BACKGROUND

Regulation 3(1)(a)(b), 3(2)(a)(b) and 4(3) of the Town and Country Planning (Control of Advertisements) Regulations 2007 states:-

"3(1) A local planning authority shall exercise its powers under these Regulations in the interests of amenity and public safety, taking into account -

- (a) The provision of the development plan, so far as they are material; and
- (b) Any other relevant factors.

(2) Without prejudice to the generality of paragraph (1)(b) -

- (a) Factors relevant to amenity include the general characteristics of the locality, including the presence of any feature of historic, architectural, cultural or similar interest;
- (b) Factors relevant to public safety include -
 - (i) The safety of persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
 - (ii) Whether the display of the advertisement in question is likely to obscure or hinder the ready interpretation of any traffic sign, railway sign or aid to navigation by water or air;
 - (iii) Whether the display of the advertisement in question is likely to hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle.

4(3) In determining an application for consent for the display of advertisements, the local planning authority may have regard to any material change in circumstances likely to occur within the period for which the consent is requested.

OTHER MATERIAL CONSIDERATIONS

It is considered that there are/are no other material considerations to be weighed in the balance with the Development Plan.

CONCLUSIONS

PRINCIPLE

Paragraph 136 of the National Planning Policy Framework (NPPF) states - The quality and character of places can suffer when advertisements are poorly sited and designed. A separate consent process within the planning system controls the display of advertisements, which should be operated in a way which is simple, efficient and effective. Advertisements should be subject to control only in the interests of

amenity and public safety, taking account of cumulative impacts.

DESIGN AND VISUAL AMENITY

The application seeks a mounted tv screen to be displayed in the shop window. The sign is modest in size and considered to be acceptable in design terms. Illuminance levels do not exceed recommended guidance. Given the extent of advertisements already present on the site and in the immediate vicinity the design and location of the proposed advert is not considered that to have an unacceptably adverse impact upon visual amenity nor will residential amenity of nearby properties be unacceptably affected.

PUBLIC SAFETY

In terms of public safety, it has to be considered whether the advertisement itself or its location is likely to be so distracting or so confusing, that it creates a hazard, or endangers people in the vicinity who are taking reasonable care for their own, or others, safety. The proposed advert by virtue of its location and size are not considered to have an adverse impact of the safety of pedestrians or road users. WSCC have been consulted due to the type of advert proposed and have recommended conditions regarding the moving images, which will be included.

SUMMARY

In the absence of harm to amenity or public safety, it is recommended that the application be approved, subject to the conditions set out below.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

Duty under the Equalities Act 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.

RECOMMENDATION

APPROVE CONDITIONALLY

- 1 The development hereby approved shall be carried out in accordance with the following

approved plans

- Location Plan - 0004

- Site Plan - 0006

- Proposed Elevations - 0007 B

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM1 of the Arun Local Plan.

- 2 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: As required by Regulation 14(1)(a) of the Town & Country Planning (Control of Advertisements) Regulations 2007.

- 3 No advertisement shall be sited or displayed so as to-
- (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
 - (b) obscure, or hinder the ready interpretation of, any traffic sign, railway signal or aid to navigation by water or air; or
 - (c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: As required by Regulation 14(1)(a) of the Town & Country Planning (Control of Advertisements) Regulations 2007.

- 4 Any advertisement displayed, and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: As required by Regulation 14(1)(a) of the Town & Country Planning (Control of Advertisements) Regulations 2007.

- 5 The screen displaying the advertisements shall not change more than every 5 seconds or contain moving images.

REASON: In the interests of road safety in accordance with the NPPF.

- 6 The intensity of the illumination of the signs shall not exceed 300cd/sqm during the hours of darkness.

REASON: In the interests of amenity in accordance with the NPPF.
