Subject: Objection to BE/148/20/OUT

Dear Ms Myer

I send this objection letter on behalf of Mr M Nichols.

Mr M Nichols
4 Queens Field East
West Meads
PO21 5RN

Arundel District Council
Planning

BE/148/20/OUT

Dear Sir/Madam

I object to this application

To support this

SO WHERE IS THE INFRASTRUCTURE to support these proposed houses

NO MORE DOCTORS / SURGERIES

We were promised site 6 (North Bersted) would have one
Waiting times have gone up

NO MORE ROADS / ROUNDABOUTS ETC

Extra traffic and where is the report about the extra traffic from the
700 + houses at Pagham

NO MORE SCHOOLS

All schools south of Chichester are full to overflowing

NO MORE SEWERAGE CAPACITY

The nearest point where capacity is available is in Sumner Lane 3.7 km
to the south west at Pagham treatment works and what about the 700 +
houses that are being built there that already have flooding problems.

NO MORE WORK

Where are the people from 700 + houses at Pagham going to work
on the farms??

NO MORE BUSES Already reduced services

NO MORE DENTISTS Already full

BOGNOR AREA WAS PLANNED FOR A HOLIDAY / RETIREMENT AREA

NOT TO SEE THOUSANDS of 3/4/5 Bedroom houses being built in the WRONG area.
Better to build Bungalows & starter homes.

HOW would young families cope with NO WORK, NO MEDICAL FACILITIES
and NO SCHOOLS

Yours Sincerely
Mr M. Nichols
