Thank you for your internet representation made on 14th January 2021 which has been recorded as an objection with the comments as follows:

OWPC32873

I am very worried about all these planning applications that keep coming up. This is going to put more pressure on the roads, schools, doctors, drainage, sewers etc. We cannot keep building on farm land. I thought the Government was going to look at changing the whole situation regarding building on green belt and use brown field sites and not so many in the South of England as it will be covered in concrete!! We should be keeping farmland to grow our own food now we are out of the EU.

Your views as made above will be considered before the application is determined.
