

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Subject: BE/148/20/OUT - Nursery Fields - UPDATE

Hi Ed,

Further to your letter attached and the additional information you have submitted end of last week, we are still in the process of reviewing this fully and liaising with consultees to see if matters have been resolved or not. In view of this, to allow us time to consider this new information, we have agreed we will extend the application determination date to 1st April.

We'll be in touch with updates in the coming weeks on these matters as this develops.

Kind regards,
Amy
