Subject: Application BE/149/20/PL - 339 Chichester Road, Bersted

Dear Amber,

The Planning Committee are reserving comment on this application until the applicant has demonstrated visibility for the vehicular access as requested by WSCC Highways. Could you let me know when this is likely to be lodged, so that the committee can comment once known and WSCC highways have reviewed it.

Many thanks

Sue O'Connell
Deputy Clerk
Bersted Parish Council
