Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended) s211 Notice

Application No: BE/150/20/TC
Site Address: Liseve Lodge 84 North Bersted Street Bersted PO22 9AQ
Description of works: Fell 2 No. Sycamore trees within the North Bersted Conservation area.

Thank you for your internet representation made on 16th December 2020 which has been recorded as an objection with the comments as follows:

OWPC32247

As before it's clear that the approval of one planning application on this site has made way to more planning to be submitted. Under many applications.

These trees should not be cut down as it's against the planning guide for the local area. As two trees have already been felled on this site the habitat for wildlife is now in more danger than before.

Approval of these plans only make the other current planning application easier to gain approval.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the

application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
