**PLANNING APPLICATION BE/151/11 - OBJECTION**

*I totally object to this application on the grounds of all the aforementioned amendments being breached from the original application.*

*We have had to suffer heavy traffic loads up and down this narrow track now for over a year. Cars have been moved, tarred boulders placed on the lane to stop our parking and general nasty unacceptable behavior from the owner.*

*Young children have previously enjoyed the safety down this lane, but this is now a thing of the past.*

*The size and layout of the new site is overbearing in relation to the area and not in keeping.*

*The outhouse building is over sized and why is it not hidden from sight?*

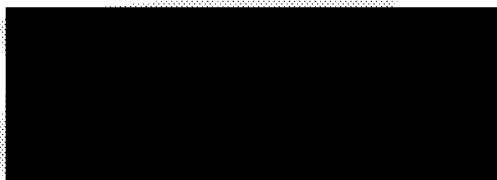

*It is very sad to have lost the agricultural land to a supposed 'holiday homes' site.*

*The caravan bases are far to near to the houses, and not in the positions of the original plan.*

*We hope to have the full support of ADC in correcting these matters, on what should have never been approved in the first place.*

*Please note this is the objection myself and daughter.*
