PLANNING APPLICATION BE/151/11 - OBJECTION

I totally object to this application on the grounds of all the aforementioned amendments being breached from the original application.

We have had to suffer heavy traffic loads up and down this narrow track now for over a year. Cars have been moved, tarred boulders placed on the lane to stop our parking and general nasty unacceptable behavior from the owner.

Young children have previously enjoyed the safety down this lane, but this is now a thing of the past.

The size and layout of the new site is overbearing in relation to the area and not in keeping.

The outhouse building is over sized and why is it not hidden from sight?

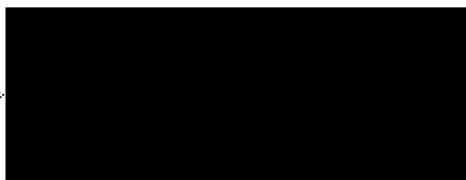

It is very sad to have lost the agricultural land to a supposed ' holiday homes ' site.

The caravan bases are far to near to the houses, and not in the positions of the original plan.

We hope to have the full support of ADC in correcting these matters, on what should have never been approved in the first place.

Please note this is too objection myself and daughter.

K. Lawrence
