Subject: BE/151/11 Shripney Caravan Park

Dear Mrs Appleton

I have discussed the above application with Karl Roberts due to the fact that the site is highly controversial. He has requested that I write to you. In order that the application can be dealt with favourably, please submit the following;

- 1/ A detailed landscape plan, showing screening along the roadside and along the boundary with Myddleton Terrace.
- 2/ A revised layout plan showing caravans 10,11 and 12 as per the original locations as approved by BE/42/10.
- 3/ The access gate located back another 7m into the site to allow a buffer between the access and the end of Myddleton Terrace.

Please can you confirm that I will have the amended plans within 7 days?

The application as it stands will be recommended for refusal.

Regards

Susan Leeson
