Comment from Greenspace

Further to submission of Dwg 248-01-01 Tree protection plan and Dwg 248-01-02 Planting Plan, we confirm that the information has been assessed and is still seen to be lacking in clarity for some of the areas. There is no detail included for beds 13,14,15,16 which partially border the front of the site. There are also specimen shrubs shown on the plan, but again these are not detailed within the legend.

We therefore **would not recommend the discharge of Condition 2** on this application until this information is submitted and approved.
