Good morning San,

I hope you are well.

Thank you for getting in touch with Charlie regarding the advertisement application. I have picked this up for Charlie whilst he is away. I have also copied Iqraa into this email as she was liaising with my college Aya last week so I thought it would be easier to all be on the same thread.

Location Plan

As you are aware, we have updated the location plan (attached) to include the two named roads. Following another review of Arun District Council's Advertisement Consent Validation Requirements (attached) we can confirm that we meet the requirements set out for a location plan as the plan includes the following:

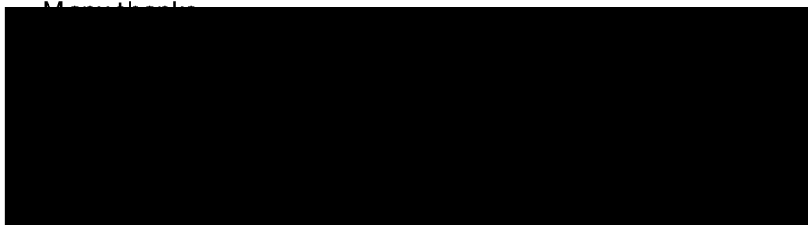

- The plan is drawn to scale and includes a scale bar in the title box at 1:2,500 scale;
- The plan shows the direction of north in the title box;
- The plan references at least 2 named roads; and
- The plan shows the position of the advertisements.

Drawings of proposed advertisements

The validation requirements state the drawings of the proposed advertisements require dimensions to be shown. There is no mention of a scale for these drawings. The the dimensions have been provided on the submitted drawings as required.

We trust the submitted information is sufficient for you to validate the application.

Many thanks

Dear Mr Brown

Thank you for your additional information however the application is invalid for the following reasons:

- Location Plan: You are required to include a red outline on the location plan
- Plans: All plans must be drawn to scale with a stated scale and scale bar. Please amend.

Kind regards
San Eggington
