Dear Mr Murray,

I've discussed this with my Team Leader and can advise that the proposed change to the garage can be dealt with as a minor material amendment.

You will need to complete the attached form and submit amended drawings with the most recent revision to substitute the approved drawing:

If you have any further queries, please do not hesitate to contact me.

Hi Katherine

Please find amended block plan and garage plan-wonder if you could advise as to whether this can be accepted as a material alteration.

Regards, Tim Murray
