Hello Simon,

Apologies for the delay in my reply, I wanted to discuss this with the operations part of our business to ensure that they would utilise the library facilities in the ways suggested by your Colleague, Naomi.

It has been considered that whereas a number of the services mentioned we already accommodate within the care home (books, reminiscence packs etc) and I am not entirely sure on the suitability, from a safeguarding perspective, of providing supported visits to local libraries, there are other facilities which may be beneficial to the residents of the proposed care home.

I therefore can accept the contribution of £12,333 towards the WSCC libraries.

I will shortly be notifying our Solicitors of the contributions and instructing them to draw up a Unilateral Undertaking which I will send over for your legal team to review.

In terms of the applications progression, please can you advise whether you have had any comments from the tree officer? Should these not be received in a timely manner, is the application able to progress to the planning committee on the 27th April?

Many thanks,

Claire Howes BA (Hons) MA
