Dear Anna

By way of update, EH are checking with their AQ specialist re the revised EVCP plan and the Drainage Officer has responded saying all acceptable, with the exception of point 5 as no construction detail drawing has been supplied.

As such, please can you provide this, and I will chase up EH in the meantime for a response.

As the current EOT runs out today, please can you email me this afternoon to agree to a further EOT until Monday 4th May to resolve these matters?

Kind regards
Amy

Hi Amy,

Thank you for both of your emails, I appreciate the update.
