Subject: [EXTERNAL] RE: BE/17/20/DOC Site 6 Chichester Road - EXTENSION OF TIME ON DRAINAGE CONDITION

Hi Anna

Hope you're well.

By way of an update you should receive decisions (discharge agreed) on the EVCP and Energy Statement by COB today.

I am still awaiting feedback from the Drainage Officer but they will get back to me with comments on the drawings by end of tomorrow.

In view of this, please can we agree a short extension of time until Thursday 7th May to deal with that last drainage condition?

Please can you email me back this afternoon and by 6pm to confirm

Kind regards,
Amy

Dear Anna

By way of update, EH are checking with their AQ specialist re the revised EVCP plan and the Drainage Officer has responded saying all acceptable, with the exception of point 5 as no construction detail drawing has been supplied.

As such, please can you provide this, and I will chase up EH in the meantime for a response.

As the current EOT runs out today, please can you email me this afternoon to agree to a further EOT until Monday 4th May to resolve these matters?

Kind regards
Amy
