Good morning Amy,

Unfortunately we have still not received the final drainage drawings, which we were promised by Monday this week.

Could we agree a further EOT to next Friday 22nd May 2020?

Thanks for your patience on this.

Kind regards,

Anna

Hi Anna

If you can get those final drainage drawings to me today (?) then we still may be able to make the current EOT of this Friday 15th May.

If not, I suggest we agree a further EOT to deal with this.

As once I have the drawings I will still need to forward to ADC Drainage and get their final comments before I can discharge the condition and I know they are snowed under at the moment due to staff shortage.

Thanks
Amy
