Hi Paul

Amended drainage drawings attached as requested.

Please can you provide comments by next Weds 20th May, as the decision is due on Friday 22nd May.

Thanks
Amy

Hi Amy,

Please see attached.

If you could please let your Drainage Officer know that there is only 1no. gully which has a D400 cover. Also see channel drain attached, there are no sump units specified here.

Kind regards,

Anna
