Simon

Further to your email of 3/2/17 to David Seaman regarding Highways we attach revised drawings highlighting sight lines and vehicle turning arrangements.

We would also like to clarify to highways that as part of this application the existing vehicle access, 30m closer to the mini roundabouts and previously used by builder's lorries, is being blocked up and the highways entrance we are using is at the point of an established residential driveway.

I hope these are satisfactory, if you need further information please do not hesitate to contact David or myself.

Regards

Simon Binns
