Hi Nicola
Many thanks for amending this so quickly and hope your email pile wasn't too big after the holidays.
Best wishes

Dear Dr Walker

Thank you for your email below regarding T6.

I have amended the description to include this, please confirm your acceptance of: '2 No. Crab Apple trees (T1 & T2) - Reduce height from 6m down to 4.5m & span reduction from 4m to 3m. 1 No. Dark Green Ornamental Fir tree (T3) - Fell. 1 No. Yellow Ornamental Fir tree (T4) - reduce height by approx. 1.5m from 6m down to 4.5m, span remains the same. 1 No. Pittosporum tree (T5) - Reduce height by 2m from 7m down to 5m. 1 No. Sweet Cherry (T6) - Crown reduction with height reduced from 6m to 5m and width/span reduced from 5m to 4m. Leylandii hedge (T7) - trim the sides and front edge and reduce the height by 60cm from 3m down to 2.4m within the North Bersted Conservation area.'

Kind Regards

Nicky Moore

Dear Nicola

Many thanks for your email and I have been back to the garden at Dorney to identify the unknown tree (T6). I have looked at pictures of the tree with pink blossom in summer and think it is a Sweet Cherry (*Prunus avium*). I would be very grateful if you could amend the above application to include the amended tree species.

Best wishes and many thanks for your help with this.

Gavin
