Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/18/26/PL
Site Address: Land West of 26 Greystone Avenue Bersted PO21 5EA
Description of works: Erection of 1 No. detached four-bedroom dwelling (self build) with associated car parking, bike store and landscaping. This application is in CIL Zone 4 and is CIL Liable as a new dwelling.

Thank you for your internet representation made on 17th April 2026 which has been recorded as an objection with the comments as follows:

OWPC82906

We are very concerned about this planning application for a 4 bedroom property in Loats Lane. This land is behind the trees photinias and fencing at the bottom of Greystone Avenue which is a very quiet dead end cul de sac with a turning area with good privacy. One of our concerns are the privacy, especially if any trees and large shrubs/small trees are removed this also disturbs all existing wildlife which would be very bad news as we have had so much taken away already around us with all the current building going on. The biggest worry is also whether at some point permission would be given to open up the bottom of Greystone Avenue which we are very STRONGLY AGAINST as this would then totally spoil what is currently a nice quiet road where there is never any trouble and no one in this road would want that to happen. Also we are concerned that this could then encourage more development in that area and then expect to gain access from our road which we are totally against. We can't express how much we are greatly concerned about the road we live in.

Your views as made above will be considered before the application is determined.
