Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/18/26/PL
Site Address: Land West of 26 Greystone Avenue Bersted PO21 5EA
Description of works: Erection of 1 No. detached four-bedroom dwelling (self build) with associated car parking, bike store and landscaping. This application is in CIL Zone 4 and is CIL Liable as a new dwelling.

Thank you for your internet representation made on 24th April 2026 which has been recorded as an objection with the comments as follows:

OWPC83130

I wish to object to BE/18/26/PL. As a person who lives near the affected end of Greystone Avenue, the last thing that I wish to see and hear is a 4 bedroomed house being built. The building work itself would impact us all, and a four bedroomed house with car parking and landscaping would be out of character with the bungalows at the end of the road. Also the long term effects of this work would not only impact the residents of Greystone Avenue but also the wildlife that has developed there over the years. I am also worried about the drainage implications of trying to build a house on that site. There is very questionable drainage at the end of Greystone Avenue and the ditch there must surely help with the flooding that this area is known for. I am also genuinely worried for the future if building work starts there. Many of us in this road chose to live here because it is a cul-de-sac. Many trees have been removed recently and now with proposed building work there, I worry that builders and land owners may plan on gaining access to our road and the cul-de-sac will be no more.

Your views as made above will be considered before the application is determined.
