Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/18/26/PL
Site Address: Land West of 26 Greystone Avenue Bersted PO21 5EA
Description of works: Erection of 1 No. detached four-bedroom dwelling (self build) with associated car parking, bike store and landscaping. This application is in CIL Zone 4 and is CIL Liable as a new dwelling.

Thank you for your internet representation made on 24th April 2026 which has been recorded as an objection with the comments as follows:

OWPC83154

I strongly object to the proposed development. The proposed development would result in a dominant and unneighbourly impact on this area due to its size and mass, and would impact the peace and quiet enjoyed by residents at the end of a 'No Through Road' such as Greystone Avenue. For many years this land has remained unused and has naturally developed into a small habitat supporting birds, squirrels, and other local flora and fauna. The area contains natural vegetation and provides an important refuge for wildlife within the neighbourhood. Any development of the land could also negatively affect the enjoyment of our property and the surrounding environment through the loss of the established wildlife habitat that currently exists there.

Your views as made above will be considered before the application is determined.
