Dear Laura,

Many thanks for the additional information relating to the replacement tree and details required for G1 and G2.

However, as noted by our invalid letter we are still also requiring the details of Tree No. 1. Could you please provide the proposed measurements of works, as ‘cut back growth’ as specified isn’t sufficient enough information for me to validate the application at this time. If you could provide the information by the 23rd I would be grateful.

Many thanks,

Kathryn Welch

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021. During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- **Research planning and building control history**
- **View any planning applications, plans, agreements, tree preservation orders or competent persons data**
- **Submit building control applications**
- **Submit planning application comments**
- **Report any planning compliance issues**

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.
