Dear Alison,

Thank you for your comments in respect of the above application for 7no. new dwellings.

Please can you advise if West Sussex County Council has S106 requirements in terms of education, library, or fire and rescue services on this application.

Regards,

Andy,

I have a full planning application for 7no. dwellings on land adj. The Rising Sun.

With regard to affordable housing, would the Council prefer to see on site provision, or accept a commuted sum towards off site provision? The applicant is proposing an off-site contribution.

Regards,
