Decision due 03.05.22

Site: BE/20/22/DOC - Unit 9 Salt Box Field Land off Rowan Way Bersted PO22 9NW.

Thank you for your letter dated 28/04/2022.

Southern Water has no objection to the commencement of construction of the development, if approved by the local planning authority.

Southern Water is currently in process of designing and planning delivery of offsite sewerage network reinforcements. Occupation of the development has to be coordinated with the delivery of sewerage infrastructure in order to prevent the increased risk of flooding from sewerage network.

In line with this Southern Water would like to maintain the condition: 'No occupation of any dwelling shall take place until the approved off-site works have been completed or, in the event that the agreed off-site works are not completed in full by the time of first occupation, detailed interim on-site measures for the disposal of foul water sewerage shall be first agreed in writing.'

Yours faithfully,
