Michael,

We (begrudgingly) accept the extension of time, doesn't sound like we have much choice as neither you are we have any control over the EA.

I know you are doing as much as you can your end though, to push this through, and it is appreciated.

We'll put as much pressure as we can on the EA and SW from our end.

Kind regards

Michael

Michael,

Another 3 weeks is needed because the Environment Agency and Southern Water are taking so long to respond.

If you can speed up the Environment Agency and Southern Water, then the DOC will be discharged much sooner.

Can I have an EoT to Friday 15th May 2020?

Thanks

Michael
