Case Number : BE/23/14

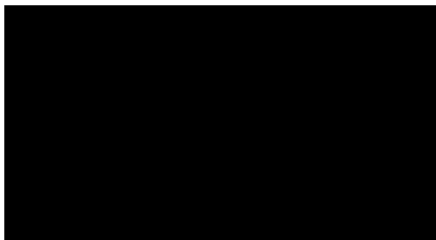

Dear Sir,

I am writing with regard to the application to develop the warehousing on the corner of Shripney Road. I would like to offer my full support for the plans that have been put forward. The warehouse & its existing use is not contributing to the area; either aesthetically or through employment.

I drive down the road regularly and have been hoping the warehouse would be developed since the new McDonalds restaurant was put in next door. Next to this and surrounded by the retail park and the new Sainsbury's the warehouses look shabby and out of date. Putting in complimentary retail would encourage further regeneration in this area and bring much needed jobs. I understand the warehouse has just been sitting empty for many months - surely this proves that there is no requirement for the current usage and that a change of use is clearly warranted.

I would fully support the change of use of the warehouse to encourage the regeneration of that area and would back any occupier who would create much needed jobs and complement the surrounding shops & restaurants.

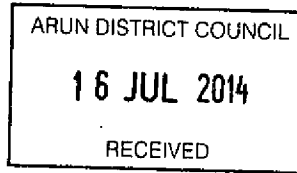

Yours sincerely,

Lauren Young

I am writing regarding the above application and to express my support.
The new McDonalds has been a welcome addition to the area and having new
retail behind it will broaden the appeal and enhance the entrance into Bognor.

Yours faithfully

Dear Mr Davis

Case Number BE/23/14

I am writing to support this application which will be a welcome addition to the area and provide jobs and regeneration. It will be a considerable improvement to the vacant existing warehouse and the Council should expedite approval.

Yours faithfully
