Dear Simon,

**Application for Non Material Amendment
Planning Decision Reference: BE/23/14/PL**

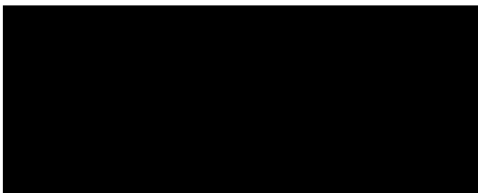

I now take this opportunity to issue the original and three copies of the completed Application for Non Material Amendment, in relation to the above mentioned Planning Permission.

This application is to extend the front elevation cladding system to the base of the wall, and largely omit the brick wall.

This application is in accordance with and does not alter the previously issued schedule of materials and finishes which is supplied with the Discharge of Planning Conditions, the brickwork is just getting smaller.

I will call on Monday to pay the fee, once a reference number is available.

Yours sincerely

Simon Redgers
