Subject: Planning application BE/23/18/PL

Good day to you

With reference to the planned application, we would like to point out that according to the Land Registry .. each garage within this compound owns the land directly in front of their garage across to the adjacent wall.

Parking in front of my garage, as I do, would then make it impossible for anyone to drive past to the proposed garage or beyond.

Before a decision is made here, could someone come out to view and discuss this proposal with myself and neighbours?

I await your response.

With Regards
