Notes

1. These are computerised drawings for the purposes of obtaining planning & building regulations approvals & are based on certain overall measurements. They do not constitute working drawings.
2. Distortion and uneven walls etc. have been ignored with some average measurements.
3. Dimensions shown must not be relied upon and must be checked on site and verified prior to commencement of work.
4. Where applicable this drawing is to be read in conjunction with other consultants' drawings & calculations.
5. Do not scale from these drawings, except for planning purposes
6. Any Work undertaken prior to Planning and Building Regulations Approval is done so entirely at the Client/Contractors own risk
