Dear Mr Stock,

I write to you regarding the recent discharge of condition you have submitted to the us. It would appear although you have written that condition 7 is to be discharged the intention was for condition 8 (materials and finishes and samples of the materials and finishes to be used for the external walls and roofs) to be discharged.

If you could confirm this in writing then I can amend the application and hope to issue the decision as soon as possible.

Many Thanks

Charlotte

Dear Mrs. Easton

Thank you for your email, I must apologise for putting condition 7 on the applications.

If you could change them for condition 8 I would be very great full.

The application was to finalize the external materials to be used on the site address above, in the attempt to try and make the bungalow more like a barn.

If you require any other samples or have any questions please contact me on the numbers below or by email and I will endeavour to get the answers as soon as possible.

Many thanks
