Mr Michael Eastham
Case Officer
Arun District Council

Dear Mr Eastham

Re: Saltbox Top soil storage for application BE/135/18/PL

As the Farming Director for the freeholder of the 10 acre adjacent field adjacent to Saltbox I write to confirm that this field is owned by David W Langmead. The field's use for top soil storage will not interfere with our farming operations. I also confirm that there are no tenants on this field who would be affected by its use for top soil storage.

I hope this letter fully addresses your questions about the ownership and use of the field but if you have further questions please do let me know.

Yours sincerely,

Duncan More
Farming Director
