Dear Michael

**On behalf of Kier PGIM Logistics Propco 1 Limited, Saltbox, Bognor Regis:
Non-material amendment to reserved matters approval BE/121/21/RES - Alterations to
approved external appearance and roof of Unit 3**

Further to our recent discussion I am pleased to enclose details of a proposed non-material amendment (NMA) of the full part of the above planning consent.

The detail of the change sought is shown on the enclosed drawing KP281-Plot 3-NMA-01 prepared by Ian King Associates. This shows revisions to the elevations of Unit 3 in response to the requirements of the intended tenant and changes to the associated materials to correspond with Kier's specification for the site.

A minor change is also proposed to the roof of Unit 3 to incorporate hip features at the western and eastern ends. This will add interest to the building's appearance and will also serve to reduce its overall scale and massing.

No changes are proposed to the site layout, scale or dimensions of the approved building.

The above drawing, if approved, will be in substitution of approved drawings 1744-U03-P4 (Proposed Roof Plan) and 1744-U03-P5 (Proposed Elevations).

I trust that the enclosed is in order and if you have any queries please do not hesitate to come back to me.

Kind regards
