Good morning Harry,

Thank you for getting in touch.

Please see attached the pole schedule and additional plan for the works which our client has provided. Please can you confirm this is sufficient to determine the notification?

If you require anything further, please let me know.

Many thanks,
Elsa

Elsa McLellan

You don't often get email from harry.chalk@arun.gov.uk. [Learn why this is important](#)

Dear Elsa,

Could I request a plan showing the existing poles and their respective identification numbers and heights? In review of the plan provided, I can see the proposed poles, albeit without identification numbers, but cannot identify which are the existing poles to be relocated or where they are at present. Confirmation of the existing heights would also provide reassurance regarding the relevant height restrictions.

Could this be provided as soon as possible? Preferably by the end of the week if possible. If there is an issue with this, please advise.

Many thanks,

Harry Chalk, MSc
