Subject: Prior Notification Of Works To Tree(s) In A Conservation Area - BE/2/21/TC

Application ref: **BE/2/21/TC**

Location: Blackbirds, North Bersted Street, Bersted, PO22 9AH

Works proposed: Fell 1no. silver birch within the North Bersted Conservation area

I undertook a desktop review on 1st February 2021, which was adequate for me to determine the aforementioned Town & Country Planning Act 1990 (as amended) s211 Notice.

I am satisfied that the works proposed will not result in character of the surrounding area being unduly diminished. The applicant's stated intention to replant with a native, standard-sized tree is welcome and should ultimately compensate for the loss of the birch tree.

I raise **No Objection** to the works that have been applied for and see no reason to make a Tree Preservation Order in this instance.
