Dear Mr Irwin,

Reduce crown and remove spread by 1.5m to 1No. large Yew tree which is overhanging the highway within the North Bersted Street Conservation Area.
78 North Bersted Street, Bognor Regis, ,

I refer to your recent notification of your intention to carry out the above mentioned works and write to inform you that, after consideration of your proposal, it has been decided to OBJECT to this proposal and create a Tree Preservation Order.

The tree is a significant feature in the local landscape and appears to be in adequately sound and healthy condition. The tree surgery proposed in the application would result in excessive reduction of the trees landscape impact and undue detriment to the visual amenities of the locality.

You must not proceed with the works specified without the written consent of the Local Planning Authority. The documents relating to the Tree Preservation Order will follow shortly.

I trust this is of assistance to you.

Yours sincerely

Neil Crowther
Group Head of Planning
