Dear Sue,

I am unable to grant any extensions. However, it is extremely unlikely that a decision will be made before the 6th April therefore you should be fine to submit comments by then.

Kind Regards

Hi Simon,

Is there any chance we could have an extension until 5 or 6th April on this application, as we just had the March Planning Meeting last night and the next one is on 4th April when comments are due on this application.

I am aware that there have been problems with the applicant and residents regarding this site, so if possible an extension by 1 or 2 days would be preferable.

Kind regards
