

11th March 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Retention of secure containers, welfare facilities & secure fencing together with associated landscaping works.

Babsham Business Centre Babsham Lane Bersted

Thank you for your internet representation made on 10th March 2019 which has been recorded as '**an objection**' with the comments as follows:

I object to this application because the fencing as put as fence a in the plans is not as described in the planning application. I have witnessed this fencing going up. This fencing is made of the underside of a 40 foot shipping container. Its my opinion does not seem be a fence at all.

The welfare facilities mean that there will be permanent staff there all the time and I know that people have been in and destroyed the reptile habitation on site especially on the north west side.

This is all viewed from my bedroom window.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. Yours faithfully
