Dear Mr Davis

I hope this email finds you well.

I write with regard to the above planning application.

I note that Sloane & Brown have included the Dutch Barn on plans supplied for a workshop and temporary vehicle storage.

No planning permission has been given for the above.

ADC declined Simon Wickens Car Sales for storage of camper vehicles in this barn.

When will amendments to the Dutch Barn form part of a planning application?

I also note from the planning documentation on the ADC planning portal that Recycle Southern wishes to store lorries on a temporary basis inside the Dutch Barn and also supply short term lorry parking outside of the barn.

In my opinion this contravenes the DVSA Operator Centre stipulations and I think you will find that the DVSA will not allow parking form HGVs close to residential properties.

I also note that no reference has been made to a noise pollution survey that has yet to be carried out with regard to the 6 properties most affected by any vehicular movements to and from this site at any time of the day.

Yours sincerely
Mr J van Koolbergen
