Engineers Comments Regarding Surface Water Drainage

There is an ordinary watercourse along the south east corner of the site. Development must be kept a minimum of 3m away from the top of bank of this watercourse. I.e. we would not permit the proposed bund to be located as close as is shown on the proposed layout plan. Please can the applicant remove the bund from proposals or locate it away from the watercourse.

The proposals could create significant impermeable areas. Therefore, if you are minded to approve this application please apply PCENG2 and PCENG3 and their accompanying informatives INFORM2 and INFORM3.

Regards,

Laura Gibbons, MEng, GMICE
Engineer (Drainage & Coastal)
