Dear Mrs Van Koolbergen,

When we upload things to the website they also have to go into the blocking queue so that personal details are blocked out. Unfortunately it is a quirk of the system that the item is listed on the website but is unavailable to view until it is released from the blocking queue which usually takes no more than a day or two.

Kind Regards

Good Afternoon

It seems as though the most recent documents are not showing on the council page again.

Same error message as before.

Good morning Mr Davis

We hope this email finds you well.

We, of course, have been keeping an eye on all documents in reference to BE/30/19/PL.

However we wish to point out that when we click on the consultation document dated 27th March 2019 it comes up the error message detailed above.

Kind regards
Mr and Mrs van Koolbergen
